Re: Dates for 2020,

What a crop year, it has been a challenge for most of you I'm sure between rain, replanting, prices and don't forget those break downs. Thank you for all you do for Kentucky Agriculture and feeding the world.

Here are some dates to keep track of for 2020.

1. **Dicamba training at the office-January 30, 2020 at 9:00 a.m.**
2. **Winter Ag Conference at Lowry Farm-February 4, 2020 with Dicamba training that afternoon following lunch.**
3. **Winter Wheat Meeting-January 7, 2020 -Princeton registration at 8:30**
4. **Cow/Calf Conference-January 8, 2020 -Grand Rivers Community Center-reg.at 8:00 a.m., program at 9.**
5. **Kentucky Commodity Conference -January 16, 2020- Bowling Green, register online.**
6. **Pesticide Training- Jan. 9, 9 a.m., Feb. 6, 5 p.m., Feb. 20, 8 a.m., all at the extension office.**
7. **Regional Hemp Seminar-March 31, 2020- Marshall County Extension Office.**

If you missed the ARC/PLC meeting here is the link you can go to and check possible payments per county. It runs like 1000 scenarios. You should update your yields with FSA. <http://fd-tools.ncsa.illinois.edu>. You will have to login in but it is painless. If you want to come by the office I can help you with it if you like.

I hope each of you have a very Merry Christmas and a Happy New Year.
