**River Counties AG Day**- July 13- Flyer attached

## **River Counties AG Day-July 13, 2017**

### **“Let’s Grow With It”**

A group of farmers, business people, educational institutions and elected officials in the counties of Ballard, Carlisle, Fulton and Hickman is organizing the first-ever River Counties’ Agriculture and Commerce Day on July 13 in Wickliffe, and we’d like you to have the opportunity to be part of this first-of-its kind event.

We will kick off the day with a farmer appreciation breakfast from 7:30 a.m. until 9:00 a.m. at the Fort Jefferson Cross Memorial in Wickliffe, overlooking the confluence of the Ohio and Mississippi rivers. Kentucky Agriculture Commissioner Ryan Quarles is scheduled to speak at the breakfast, and cut a ribbon for the event afterward. The Farmer of the Year, Ag Business of the Year, and a special Friend of Agriculture will be recognized at the breakfast. Nominations from any community member are being taken from throughout the four counties.

We plan to host exhibitors, vendors and educational entities at Wickliffe City Park that will highlight the rich resources and hidden beauties of all four river counties, from agriculture to natural resources to commercial opportunities – some of which are only found in this unique region of Kentucky. The exhibitor fair will begin at 10:00 a.m. and conclude at 2:00 p.m.

Our theme for the day is “Let’s Grow With It,” our nod to the idea that all of our strengths – our agricultural heritage, our great people, and our natural resources – are economic engines that can enrich our communities for years to come. We want to let people know that we are open for business in the River Counties, and that we are moving forward together.

If your asking why should I attend? Our goal and vision is a willingness to work together to achieve new opportunities for all the counties involved.

What a great chance to promote agriculture in Ballard, Carlisle, Fulton, and Hickman County along with all of our other assets. This will be an annual event that rotates from each county year to year.

Come enjoy the day with us or just a portion of it!!!
